Sir:

It is respectfully requested, on behalf of the patentees and their assignee, that a Certificate of Correction be issued under 37 C.F.R. 1.322 to correct an error in the above-noted patent wherein the PCT filing date is erroneously given as June 6, 1999, rather than the correct date, July 6, 1999. See the attached front page of the PCT application WO 00/01352. The correct PCT filing date was given in the application papers as filed. Hence it is believed that the error is the result of USPTO mistake and should be corrected under 37 C.F.R. 1.322.
